Message from Ms Martin

Ms Martin Writes:

I want to thank all staff, parents and carers for their donations and wonderful messages of encouragement and support. Also the children. I was a bit concerned about their reaction but, once more, they have surprised me. Some little ones were telling me yesterday how much they like my hair, another girl went home telling mum "how awesome Miss Martin looks" and a Y6 girl told me he was proud to be with me because I was very brave.

Overwhelming response from the amazing SEC community.

It was great to have you all in the Avenue.

Ms Martin has managed to raise over £1200 for Cancer Research.

Father Michael

Father Michael wishes to extend his congratulations to the children taking part in their First Holy Communion preparation. At the first Mass with their parents Father Michael was impressed with the way they concentrated and participated and wanted me to share this with you all and the wider community.

Well done children.,

Children's Liturgy at 10:30 Mass

Father John wanted to let you know that this Sunday, 16th January, there will be a children's liturgy group during the 10:30 mass and we encourage as many children to attend this as possible.

If you are at the 10:30 Mass at Holy Spirit please go along and join in.

The Briars

Well done to Year 6 who took part in the residential at The Briars. This is the first residential that they have been able to take part in due to the various lockdowns. They did really well and participated fully in all the activities including group workshops, morning and night prayer, Mass, a huge walk in the countryside, outside games, meals shared together and even a disco.

The staff were lacking in sleep but had a wonderful time with all the children.

COVID Update

As you will be aware we have sent out a warn and inform letter letting you know that we have a number of cases in year 6.

I am also isolating, fingers crossed I will be able to return on January the 19th, but I am keeping up to date via teams.

I can't wait to see you all.
