

# 7th January 2022 St Edmund Campion Newsletter

## Happy New Year!

We would like to extend our warmest welcome back to all of our children and parents. We hope you had a happy and relaxing Christmas break and are looking forward to a busy and productive term.

Many thanks for all your warm wishes and gifts. The staff team are very grateful and appreciative.

## Liturgy

Our year 5 liturgy team led a collective worship to celebrate the new year - new beginnings and resolutions.

We also thought about the Feast of the Epiphany, contemplated what gift we could bring to Jesus and what we could do better this year?

The liturgy team did a fabulous job leading us in prayer and reflection. It was lovely to have Father John with us too.

## Year 6 Briars

On Monday, Year 6 will be climbing aboard buses, carrying their bags and heading off to the Briars in Derbyshire.

The Briars is the Diocesan youth centre and provides an exciting and engaging learning experience for children across the Diocese of Nottingham. I know that the children are going to have a wonderful time together. I am looking forward to visiting them on Tuesday night to join in their celebration of Mass and the disco too.

We will miss them, but know they will be having a lovely time.

## Talent Auditions

Today we held the auditions for our annual Talent Show. Slightly different this year because of COVID, children have auditioned in their year groups.

The Talent Show is a highlight of the year and something we always look forward to. I know we are going to unearth some special talents. The only question is, what will it be?

## A Close Shave

Our lovely Teaching Assistant Miss Martin is going above and beyond for Cancer Research as she lets all her beautiful hair be cut off.

If you want to encourage her it will be outside the Cancer Research shop on Central Avenue at Midday on Saturday 8th January so come along and join the party and cheer her on.

She has a Just Giving Page: <https://fundraise.cancerresearchuk.org/page/martas-giving-page-62> if you wish to support her cause.

## Looking Ahead

- 10.01.22 - First Admissions Parents Visit the School - 13:30
- 10.01.22 - Year 6 Visit to Briars
