As a parent or carer, you are automatically a member of the Parents' Association ... your voice counts. Here are six reasons why joining us and coming along to the PA meetings really matters...

1. It gives you a voice.
2. It makes connections beyond the school gate.
3. It builds trust between parents and the school.
4. It raises welcome funds.
5. It's for your children.
6. Volunteering is good for you!
