Today we are thinking about respect online.

Jumpy_frog100

Sorry I've got to go now, see you tomorrow in school

Space*Kangaroo

Come on... can you not stay until the end of the game?!?!

Jumpy_frog100

I can't

Space*Kangaroo

You know we're going to lose if you go now

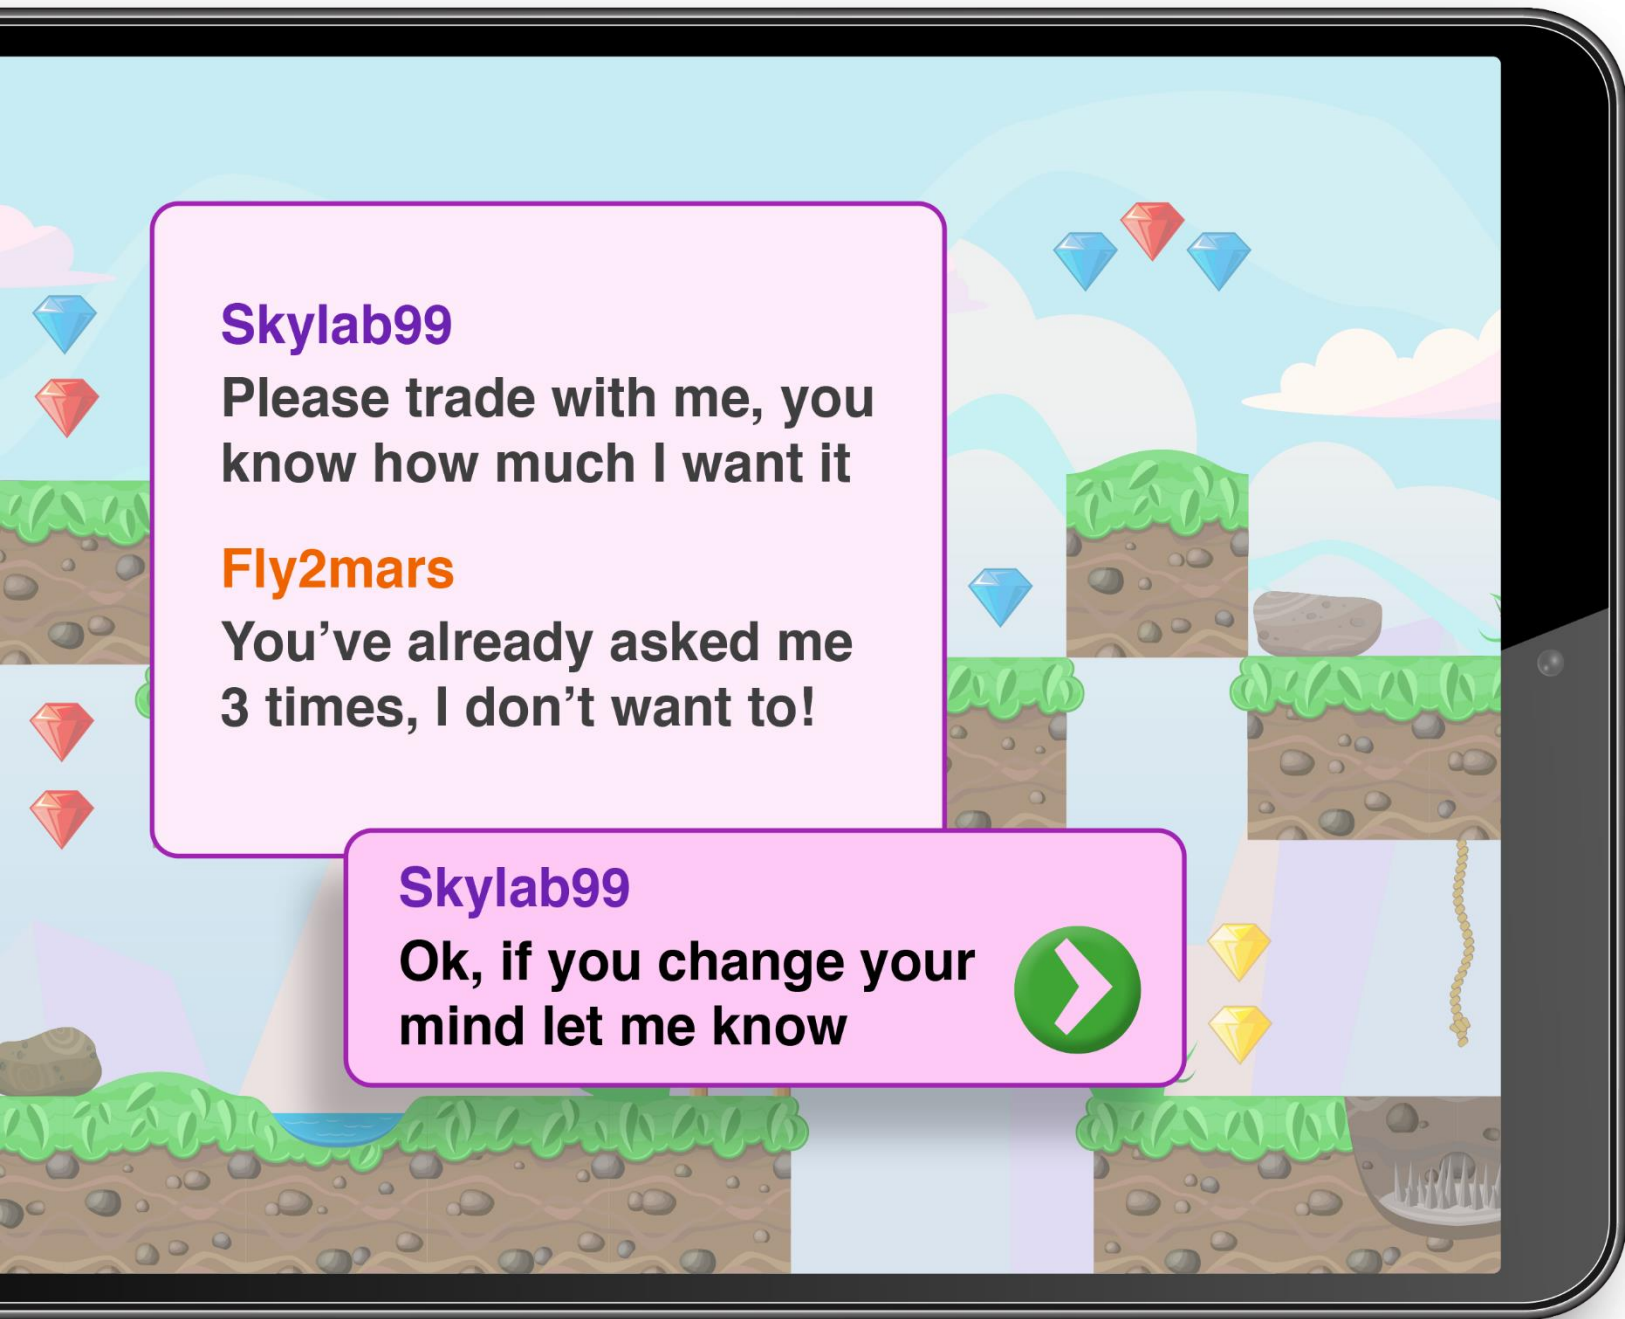

Don't send

Not everyone is available all the time. It's not okay to put pressure on someone or make them feel guilty if they need to leave a game.

What could **Space*Kangaroo** say or do instead?

Skylab99

Please trade with me, you know how much I want it

Fly2mars

You've already asked me 3 times, I don't want to!

Skylab99

Ok, if you change your mind let me know

Send

It can be fun to trade things with other people, but remember not everyone wants to trade all the time and it's okay to say no. **Skylab99** has done the right thing here by accepting their decision.

Remember – a trade should always be done using the official trading feature in the game. This will help make sure it happens safely. But you should still make sure that you feel the trade is fair before accepting.

Peanut_butter_boy

13.39

RoblxGrrl1

Yes I will be. 😏 @icyblast what about you?

14.02

Icyblast

I'm not allowed on that game

14.08

Peanut_butter_boy

What!!! 🙄

14.14

Icyblast

The rating is too old for me and it looks a bit scary

14.18

Peanut_butter_boy

Ha ha ha you are still on the baby games then

Don't send

Remember that the age ratings on games are there to help you and your families decide whether you're ready to play them yet.

Someone you live with might give you permission to play on a game, but that doesn't mean everyone else is allowed to or even feels comfortable with the game. It's important to respect other peoples' decisions.

What could Peanut_butter_boy or the others in the group say or do instead?

Lightening-duck2

Good game! We always win when we are on a team together 😁

Lightening-duck2

What school did you say you went to again?

Blazing_fox

I go to Park Heights Junior School in Nottingham

It's important to keep personal information safe online. Even if you have been playing a game with someone for a long time, if you don't know them offline they are still a stranger.

Always tell an adult if a player online asks for your personal information or to meet up.

Then together you could:

- Say no to sharing personal information and move the conversation back to talking about the game
- Decide not to reply at all
- Choose to report, block or unfriend the player.

UK Safer

Day 2022

Judo_genie22

Why don't you leave the game

Pioneer10

Yeh, you usually quit anyway 😊

AlienBiscuits8

Quit Quit Quit 🤦

Judo_genie22

Quitter

Snow_X_dragon

Stop it, you are not funny

AlienBiscuits8

Sorry we were only joking and didn't mean to upset you 😞

Send

Sometimes what starts as a joke can still really hurt and upset someone. It's important to think about other people's feelings. If someone asks you to stop or you think they are upset it's important to listen and take time to say sorry.

Coolcookie_1

I want to take a break from this gaming group for a bit

Shad0wsleeper
why?

Coolcookie_1

I'm not enjoying the group as people keep saying mean things to each other when we lose

Jr76_hj1

don't leave us

Coolcookie_1 has left the group

This is a difficult one!

Wanting someone on your team and sending them a message is nice but remember it's important to respect other peoples decisions and boundaries.

What could **Shad0wsleeper** do or say instead?

Shad0wsleeper

Come on you are our best player! We need you so we can win!

13.34

GAME ON!

Thinking about how your words and actions make other people feel
