## Reconciliation

Today children had the opportunity to partake in the sacrament of reconciliation.

The children held pebbles to remind them of the rough and smooth parts of their lives. Father Liam and Father John McCay were available for the children to speak to and share their thoughts after.

It was a very reflective and prayerful experience.

## Fair Trade

On Monday the Faith in Action team visited the Co-op in West Bridgford to take part in a Fair Trade event, as part of the Fair Trade fortnight.

Mrs Woolley and Mrs Squire were so proud of the way they represented the school and shared information with the public.

They had made posters which are now proudly displayed in the windows of the Co-op. They were definitely putting their faith into action on this occasion.

## Year 6 Theatre Visit

Thursday opened to the children of Year 6 visiting the Playhouse in Nottingham for a Macbeth drama workshop bringing to life Shakespeare's most famous work, which they have been studying over the term.

It was a chance to express themselves dramatically, which they did with much aplomb. The children told us that one of their highlights was trading Shakespearean Insults towards each other which caused great hilarity and memories.

## School Meals Payments

### **Aspens School Meals – Spring Term 2**

All payments will be uploaded to ParentPay this evening. Payment amounts are correct as of today, Friday 3rd March 2023 and have taken into account any children who have had absences from school since the start of the half term, up until today's date. The amount requested also takes into account the recent strike day on 1st March 2023, if your child was not in school on that date. Any future dates where children are not in school as from today, will be credited back to your child's account in the Summer Half Term 1.

**Please note the deadline date for payment is Friday, 17th March 2023.**

## Bike Storage

Please note that on Wednesday the 15th of March there will be no access to the bike racks at the side of the school.

This is due to internet work being done in the nearby ground and so the entire area will be blocked off.

Thank you for your understanding.

## Parking Complaints

Please can we take this moment to remind parents that Abbey Road and Rodney Road are residential streets.

As such, no matter the state of your parking, whether you are in your car or leaving it to pick up your child from the school, please do not block any residential driveways at any time.

We have received a number of complaints around parents idling across driveways.

Please be considerate when parking or waiting near the school.
