

24th March 2023 St Edmund Campion Newsletter

Foundation Fire Engine

The local fire department visited the school with a fire engine this week.

The children in Foundation got to see the vehicle up close, hear about the exciting role of a firefighter and even got to hear as the sirens and lights were set off for them.

It was a fun and educational way to learn about some of our local services.

Sports Update

This week has seen the return of some competitive football.

The boys started the week with a friendly against Rosecliffe. A very competitive game finished in a deserved draw with Edmund Campion equalising for the second time with two minutes to go – good resilience boys!

The girls were in Rushcliffe Cup action and played brilliant, yet respectfully, in a big double figure victory away to Gotham on Tuesday. This sees them through to the quarter-final and a home tie against Lady Bay. This is alongside the semi-finals of the county cup with the opposition still unknown.

The boys travelled up towards the City hospital yesterday to take on the Boys' High School for a place in the Quarter-Finals of the County Cup. Another dominant and respectful display saw double figures reached for the second day in a row, and a home tie against St Mary's of Edwinstowe.

Holy Week Performances

Can we please take this opportunity to remind parents of the respectful and prayerful nature of the Holy Week performances. To this end we ask that all parents enter in silence and refrain from waving or gesturing to their children.

The children will leave the performances at the end and we ask that you leave in a respectful silence after they have departed the hall.

Thank you in advance for your understanding of this holiest of times.

Online Safety Reporting

Here is a link on how to report any harmful content that may be seen online by your child or even possibly yourself.
