Welcome Back

It's been lovely to see everybody back to school for the start of the new school year.

It's been great to catch up with everyone and hear about their adventures over the summer holidays.

The start of a new year is always a time of great excitement and a few nerves.

The children have come to school with very positive attitudes, it has been a great start to the term.

Uniform

Children have returned to school looking very smart in their uniforms, just a few reminders:

PLEASE PLEASE PLEASE label all uniform clearly, this helps us to return it to children if it should be misplaced.

If you write in pen on your child's labels, please check these on a regular basis as they can wash off.

Girls socks should be white.

Fleeces are outdoor wear and should not be worn inside.

If your child has collar length hair, it should be tied back with hair bobble\slides\bands in school colours (Red, white or black)

Summer Uniform can be worn until October half term, after which it will be Winter uniform.

End of the Day Arrangements

As part of our safeguarding procedures, at the beginning of the school year we ensure that a teacher or teaching assistant from the previous class supports the new teacher during the end of day hand over procedure. This continues until the teacher becomes familiar with parents and carers. If your child is being collected by somebody different, please communicate this through the Office by 2pm or earlier unless it is an emergency.

A reminder of the timings for the end of the school day:

Year 1 & 2 Children: Collected from playground at 15:10

Year 3, 4, 5 & 6 Children: Collected from playground at 15:20

Start of the Day

Whilst we appreciate dropping off your child can be an emotional time, due to the alleyway, the space we have to drop off children is limited.

Due to this, please could we ask that once you have dropped your child off, that you make your way down the alley to Tewkesbury Close in order to make space and help other parents drop their children off.

Could I also please take this opportunity to remind parents that no scooters or bikes are allowed onto the playground during drop off or collection times.

Dates

A list of school dates for the year will be sent shortly via ParentMail.

Copies can also be found on the school website and paper copies are available from the office.

As always these are subject to change, we try to avoid changes but should this be necessary we will inform you via the usual channels.

Year Group Meetings

As usual, each year group will be hosting its parents for a meeting, in the hall, to share expectations of the year and general information about the new year group.
