## Foundation Assembly

Congratulations to the youngest children in our school for delivering a wonderful assembly.

They shared their learning over the year and we were amazed by their confidence and enthusiasm.

The assembly showcased the breadth of learning in the foundation stage with the children giving us examples of what they had done in every area.

the highlight was the singing and the dancing which was fabulous.

Congratulations to them all, to the parents who worked closely with them and the teachers who have led the children throughout the year.

## Sports for Schools

The final total is in and we wanted to share what a tremendous collective achievement there has been.

The total raised was £2975.52 - simply wonderful.

A clearly inspiring day and thank you for all of your incredible generosity and hard work.

The wrist bands and posters will be arriving next week and we have some exciting ideas on how to spend the money to impact and benefit all of the children.

Thank you once again.

## SATs Results

Congratulations to our Year 6 who received their SATs results this week.

We are delighted with these results and they are something to be very proud of.

Congratulations to everyone of our children, we are proud of you all. Well done on your hard work and your positive attitudes.

Congratulations too to their families who have supported and nurtured them throughout their education and to the staff at St Edmund Campion who have worked tirelessly for the children and their education.

As a community we should take this time to reflect and celebrate together.

## Record of Achievement - Thursday 14th July 3:30-6pm

On the 14th July we will be holding our Record of Achievement evening until 6pm. We are aware that some of our parents may not have attended this event previously, due to Covid, and so I would like to take this opportunity to explain the organisation of this evening. This is an opportunity for you to visit the classroom with your child and for them to share their record of achievement and school books. The folder follows them through the school, with work that they have selected and are particularly proud of. It is a lovely opportunity to reflect on the learning and achievements of each child. **There are no formal appointments - The focus of this afternoon/evening is for the children to share their books/folder with you, and celebrate their hard work.** Please also visit the school hall, where we will be holding an Arts Festival, with performances by our school choir, band and recorder group. It will truly be an afternoon to celebrate the exceptional talents of all our pupils!

The children will be dismissed at the usual time on this day - you can then escort them into the hall or classrooms. Please note - the school will close at 6pm so please give yourself enough time to sit with your child and share their books. Your child should remain with you at all times and not be left unattended.

## Summer Fete

What a wonderful occasion our summer fair was last Saturday!

Particular thanks to the children who ran so many stalls, we were blown away with their creativity and enterprise.

Watch this space, they will be on the Dragons Den.

The initial count up of money taken on the day indicates that we have raised in the region of £2500 which is wonderful.

Thank you for all your support, for joining in such an enjoyable family event, for the donations that you made, for the money that you handed over and for the support the many stall holders and organisers gave.

More important than the money was the sense of community and the joy that was in our school.
