

Relationships, Sex, Health Education (RSHE) Curriculum

As a Catholic school, our mission is to support the spiritual, moral, social and cultural development of all of our pupils, rooted in the wisdom and teaching of the Church. The education of children in human sexuality is an important, precious and privileged responsibility. The Church teaches us that this is very much a partnership with parents, in which parents are the 'first educators' of their children on these matters; ultimately, you confer on us the right to co-educate your children with you.

As you may know, we have been using the 'Journey in Love' resources for many years to support our RSHE curriculum. From September 2022 we have decided to adopt 'Life to the Full' by Ten Ten. This is an award-winning Catholic educational organisation and the programme has been approved by our diocese. The scheme will further enhance the RSHE curriculum, providing a range of resources and materials to support our pupils.

Through their programme, Ten Ten understand the foundational role that parents have in educating and nurturing their children on these matters. We would like to have your feedback on the scheme and the teaching of certain topics. To this end, we have opened a consultation period during which we welcome your feedback.

Ten Ten have provided an online **Parent Consultation Tool**. This is a simple-to-follow, short online course which:

- Articulates a vision for Catholic Relationships and Health Education.
- Explains how Life to the Full aims to help us fulfil the statutory curriculum with a Catholic ethos.
- Provides some information about key decisions we need to make, in consultation with parents.
- Answers some Frequently Asked Questions.

To take part in the consultation, please do the following:

- Access the Parent Consultation Tool here:

- Complete the following questionnaire/Feedback by Friday 27th May 2022:

Thank you for your continued support.
